IN REPLY
REFER TO:

Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms:

In informal exchanges of information between the
Defense Communications Planning Group (DCPG) and your
Agency, we have learned [redacted]

25X1

[redacted] I would like very
much to see this system tested for possible application
to the DCPG program, of which I believe you are aware.

Perhaps the quickest and easiest way to test the
system for application to our purpose would be to
employ the contractual machinery you already have
established [redacted]

25X1

[redacted] If this course is acceptable, I would have
my staff representative work with the appropriate Agency
designee to draft mutually acceptable work statements

[redacted]
It is my understanding that [redacted] of your Agency
and Mr. Winter of the DCPG have already discussed this
matter at some length and have a mutual understanding
of the work which needs to be done.

25X1

Sincerely,

Alfred D. Starbird
